I went to a movie with a friend today. It was pretty great. There were aliens and gods and a guy in a suit and a big green rage monster and the ass-kickingest woman ever and Sam Jackson with an eyepatch.

Everything except a harpy. So it wasn't perfect.

And friendship is a big theme in that movie.

I'm sorry you are lacking a harpy. :(

On the other hand, I was very pleased to see a wabbit show up on my list today! I've missed your posts.

So don't go buying it for yourself.

...

...

I might even let you borrow it sometimes. That is, if I were to happen to have one.

Birthday, birthday, who's got the birthday?

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

When I decided to be born in February, I must not have realized I'd own a motorcycle. Winter storms play hell with...

Too soon?

Is this conversation grounds for workplace harassment? Not my half of it, of course.

Too soon?

Next time I walk into the local office, I'm going shirtless to make sure I comply with y'all's dress code
